WINTER CLOSURE UPDATES

EXTRA SHELF STABLE FOOD:

In preparation of future weather related closures, we are going to do a small food drive over the next few weeks for shelf stable food items. ***Clients will need to call our office with requests for these items.***

If this is something you are interested in, please let us know and we will call you to coordinate delivery once they are ready! Some of the things we hope to collect include microwavable meals, tuna/chicken packets, peanut butter & crackers, and fruit cups.

CLOSURE NOTIFICATIONS:

As a reminder, if we do make the decision to close because of weather we will send out an automated voice message to all clients that are scheduled to receive a meal that day. This message is sent to the primary phone number we have on file. If the call is not answered, our system should leave a voicemail. Please call our office if you would like to verify or update your primary phone number. If you are unsure about us closing you can always call our office or visit our website.
